Job Title: CLINIC NURSE MANAGER
Department: Community Health Center
Reports to: Medical Director
FLSA Status: Non-Exempt
Salary Grade: \$26.37 to \$42.83, DOE
Location: Coos Bay/North Bend

This position is a covered position as defined in the Coquille Indian Tribe Chapter 185 Child Protection Ordinance. Candidate must pass a pre-employment drug screen, Criminal, and Character Background Check.

SUMMARY OF MAJOR FUNCTIONS

Under the direct supervision of the Medical Director, the Clinic Nurse will assist the medical providers in caring for patients and supervise the clinical staff, front and back office. Ensure that healthcare services take place in an efficient, professional environment. Contribute to accomplishment of the Tribe's holistic health and wellness objectives for patients and families.

ESSENTIAL DUTIES and RESPONSIBILITIES

1. Provides direct supervision to Medical Assistants, Health Technician, Medical Receptionist, and Medical Records Technician to include but not limited to; planning, scheduling, and assigning work, establishing guidelines and performance expectations, providing feedback and evaluating performance. Provide advice, counsel, and/or instruction and conducts disciplinary measures as necessary. Perform back up duties to the position supervised as necessary.
2. Coordinate the Clinic's Phone Triage program and triage medically related phone calls.
3. Manage and implement Health Center Policy and Procedure in the Medical Clinic.
4. Maintain and assure compliance with Clinical (including Nursing) S.O.P. (Standard Operating Procedure).
5. Perform established routines and medical protocols, laboratory tests, diagnostic procedures and consultation services. Interpret selected laboratory findings and, as appropriate, initiate action for necessary care. Obtain preliminary health history and make nursing assessment recognizing the range of normal and the manifestations of common abnormalities.
6. Provide oversight for Clinical Laboratory Improvement Amendments (CLIA) waived lab tests and Laboratory Quality Control (Q.C.)
7. Assist medical providers in deliver medical care for clinic patients as well as assisting with diagnostic and therapeutic procedures as assigned; including suturing, wound debridement, wound dressing venipuncture and injections. Provide and/or assist in the provision of emergency medical treatment. Provide medical treatment as authorized by standing orders.

8. Utilize the EHR for documentation of medical information and coordination of care. Record observations, assessments, nursing interventions and therapeutic measures administered in EHR.
9. Promote continuity of care through relevant health counseling, delivery of medical information per PCP direction, referrals for follow-up care, arranging for appointments and collaborating with other agencies involved in the health care of patients. Teach individuals, groups and families about self-care such as treatments, medications, nutrition and preventive health testing by up to date evidence based findings and educational handouts.
10. Responsible for verifying and documenting competency of Medical Assistant(s) and Health Technician's clinical skills.
11. In partnership with designated staff, utilize existing electronic health record resources to maintain a system for identifying patients with chronic medical conditions such as; diabetes and hypertension.
12. Use evidence-based guidelines to ensure that patient's high-risk diagnoses are being treated in accordance with approved best practices.
13. Maintain a system to assure that patients are accessing and receiving age and gender appropriate preventative health care screenings, procedures, and assessments.
14. Improve access and referrals to health promotion and disease prevention programs within the Tribal and greater community.
15. Perform the Annual Diabetes Audit for the clinic
16. Maintain Biomedical Maintenance and Quality Assurance program for all medical equipment and the Infection Control Program.
17. Complete preauthorization for Purchase and Referred Care and health insurance as necessary.
18. Participate as a member of the CIT CHC Safety Committee and Quality Improvement Committee.
19. Perform other duties as assigned.

The above statements reflect the general duties considered necessary to describe the principle functions of the job as identified, and shall not be considered as a detailed description of all the work requirements that may be inherent in the job. This position may involve transporting Native Americans and Non-Native patients and clients in the Health Center vehicles, employee owned vehicles and rental vehicles to and from a variety of Health Center functions and activities.

PHYSICAL REQUIREMENTS

Requires the ability to communicate orally, repetitive movement of the wrists, hands and/or fingers, often requires walking, standing, sitting for extended periods of time, raising or lowering objects, stooping and occasionally requires lifting up to 25 pounds. The individual must perform the essential duties and responsibilities with or without reasonable accommodation efficiently and accurately without causing a significant safety threat to self or others.

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES

Individuals must possess the following knowledge, skills and abilities or be able to explain and demonstrate that they can perform the essential functions of the job, with or without reasonable accommodation, using some other combination of skills and abilities.

1. Excellent oral and written communication skills. Ability to consistently convey a pleasant and helpful attitude by using excellent interpersonal and communication skills to control sometimes stressful and emotional situations.
2. Knowledge of medical equipment and instruments to administer patient care.
